<p>28 May 2014 - The UK Civil Aviation Authority (CAA) and Irish Aviation Authority Safety Regulation Division (IAA SRD) have published a revised version of their joint performance plan for air navigation services (air traffic control) between 2015 and 2019. The revised performance plan is available here. Other documents relating to the draft performance plan are also available here.</p> <p>29 May 2014 - The UK Civil Aviation Authority (CAA) has published a series of recommendations which it states will help drive improvements in the way the aviation industry manages aircraft noise. A full report detailing the recommendations is available here.</p> <p>29 May 2014 - The General Aviation (GA) Challenge Panel has published its final report to ministers about the regulation of the general aviation sector. A full copy of the report can be found here.</p> <p>30 May 2014 - The UK Civil Aviation Authority (CAA) has launched a consultation on its future policy for General Aviation (GA) regulation. It builds on the recent GA Red Tape Challenge and the formation of the CAA's first dedicated GA unit and will define how the CAA regulates GA on a day-to-day basis. The consultation can be viewed at www.caa.co.uk/consultations where details of how to respond are also provided. The closing date for responses is 31 July 2014.</p> <p>30 May 2014 - As part of its consultation on the future regulation of General Aviation (GA) in the UK the UK Civil Aviation Authority (CAA) has proposed an easier way for aviation enthusiasts to enjoy flights in historic aircraft. The consultation can be viewed at www.caa.co.uk/consultations where details of how to respond are also provided. The closing date for responses is 31 July 2014.</p>	<p>27 May 2014 - Airline carrier Norwegian faces international union opposition to plans to start new low-fare transatlantic flights from Gatwick Airport.</p>
